ROSE COLORS AND THEIR MEANINGS

VALENTINE'S DAY IS A VERY POPULAR TIME OF THE YEAR FOR GIVING ROSES TO YOUR LOVED ONES. THIS GUIDE WILL HELP TO MAKE SURE YOU CHOOSE THE RIGHT COLOR!

RED: Red roses are the traditional symbol for love and romance, and a time-honored way to say "I love you." The red rose has long symbolized beauty and perfection. A bouquet of red roses is the perfect way to express your deep feelings for someone special.

PINK: As a symbol of grace and elegance, the pink rose is often given as an expression of admiration. Pink roses can also convey appreciation as well as joyfulness. Pink rose bouquets often impart a gentler meaning than their red counterparts.

YELLOW: The bright, sunny color of yellow roses evokes a feeling of warmth and happiness. The warm feelings associated with the yellow rose are often akin to those shared with a true friend. As such, the yellow rose is an ideal symbol for joy and friendship.

WHITE: White roses represent innocence and purity and are traditionally associated with marriages and new beginnings. The white rose is also a symbol of honor and reverence, and white rose arrangements are often used as an expression of remembrance.

ORANGE: With their blazing energy, orange roses are the embodiment of desire and enthusiasm. Orange roses often symbolize passion and excitement and are an expression of fervent romance. A bouquet of orange roses will send a meaningful message.

LAVENDER: The unique beauty of the lavender rose has captured many hearts and imaginations. With their fantastical appearance, lavender roses are a perfect symbol of enchantment. The lavender rose is also traditionally used to express feelings of love at first sight.

JIMMY BUFFETT AND THE CORAL REEFER BAND

“SUMMERZCOOL” TOUR

FEB. 25TH

Orlando, the wait is over. Jimmy Buffett and the Coral Reefer Band will perform at the Amway Arena in Orlando on February 25 as part of Jimmy Buffett's “Summerzcool” Tour 2010.

Jimmy's latest album, Buffet Hotel (one t), was released in December. The title cut has a strong West African influence and was conceived during a trip to the “Festival In The Desert,” a music festival that takes place annually near Timbuktu, Mali. “It was one of the best musical experiences of my life,” said Jimmy. It was there that Jimmy ran across the Buffet Hotel, an old colonial era train station/hotel which was the venue for the music scene that exploded in Mali after its independence in 1960. After Jimmy started writing for Buffet Hotel he decided to introduce three of the new songs into his set list. The three were “Summerzcool,” the quintessential beach song, which also became the tour name, “A Lot To Drink About,” a commentary on current events, and “Surfin' In A Hurricane,” the first surf song Jimmy has ever written.

Maintenance Tips

HERE ARE A FEW TIPS FROM SEAN AND ANDY!

1. During the winter months, many of you will turn on your heaters to stay warm. It is important to check your windows every now and then to make sure that condensation is building up. When the cold air outside contacts a window that is heated on the inside, moisture tends to build up on the window. If this happens, be sure to crack your windows and wipe away the moisture (this will prevent mildew growth).
2. It is very important to routinely check the lint trap in your dryer. Not only will this improve your dryer's efficiency and save you money, but it helps to prevent future problems!
3. We have been noticing that the recycling container is often very full/overflowing. Please be sure to break down all boxes to create more space, and if the container is full, please place all items in the trash compactor. Items left outside of the compactor will not be picked up by Waste Management.
4. Our new towing company has begun roaming the property. It is very important to be sure that cars in designated “handicapped” spaces are displaying the proper permits, and that your registration is up to date with the proper sticker/permit. If you need the contact information for our towing company, please call the front office.
